

Keeping young people safe

- We will respect your rights and responsibilities and keep to ours
- We will ensure we have the right skills and experience to work with you
- You can talk to us about anything that is important to you
- You will be included in making decisions that affect you
- If you feel unsafe for any reason we will believe you and support you
- We will do something if you are being bullied or another person's behaviour is not OK
- We will keep your information private, except if we think you or another person are not safe
- If you are unhappy or worried about anything or anyone at Mission Australia, tell us and we will do something.
