Ms Tamara Freeburn
Mission Australia

Dear Ms Tamara

Your application to conduct the research titled 'Mission Australia Youth Survey 2026' has been approved by Brisbane Catholic Education.

Please present this letter to the relevant School Principals as evidence that your research has been endorsed by the BCE's Education Research Advisory Panel.

Please note that all Brisbane Catholic Education schools are required to conduct their own individual due diligence prior to commencing any research projects.

Please note that participation in your research is at the discretion of the relevant Principals.

Should the school/s not wish to participate, please advise us via email at ResearchImpact@bne.catholic.edu.au of any replacement school/s that you wish to approach before contacting them.

This approval is for school/s administered by Brisbane Catholic Education only. Religious Institute schools within the Archdiocese of Brisbane are independent of Brisbane Catholic Education. You will need to approach the Principal of these schools directly to secure involvement in this research project.

Please be advised that by September 2026, we will require a complete written report on your project.

Researchers are required to provide the following to Brisbane Catholic Education when the study is finalised:

- **a full research report summarising the findings from the recruited cohort of BCE schools**
- **a one-page infographic highlighting the key findings of the research.**

Reference Number SLW086 has been allocated to your project. Please quote this when contacting this office.

If you have any further queries, please email ResearchImpact@bne.catholic.edu.au.

Best wishes for the successful completion of your research project.

Yours sincerely

Kimberley Nicholls ME.d
